Q4 Roadmap Review

Meridian Product • Thursday 10:00 • Conference Room B

Overview

The revised scope trims the wish list to what we can ship before the holidays.

Open questions

1. Keep the shared-inbox beta in Q4, or move it to January?
2. Is the analytics export a launch blocker, or can it follow a week later?

Launch scope

Shared inbox beta	Keep in Q4
Analytics export	Week 1, January
Mobile reader polish	In scope
Admin audit export	Follow-up
